

THE INTERNET & RESTAURANT RESEARCHER'S COMMENTS

TERRY & CHARLIE PENTA, OAKLAND, NJ – MAY 4, 2011

“We read the review in the Daily News and decided to go to Spicy’s and now we are making our daughter’s graduation party here. The food, service and prices are very good, as it is hard to find a place on the shore that is not a rip off. I love looking out over the ocean while I have one of the famous Lobster Enchiladas & all fruit Margaritas.”

ARLENE KITTAY, TUCKERTON, NY, GANNETT REPORTER – MAY 30, 2011

“My cousin told me about Spicy’s from a review she read in the Daily News. I love the beach, the boardwalk and great food and it’s all here at Spicy’s. Charlie and I shared the Cantina Sampler Platter and the Shrimp Dumplings. We liked it so much we came back the very next day and had the Steak and fresh amazing Guacamole.”

DONNA & GARY STEINBERG, MAMARONECK, NY, GANNETT – JUNE 4, 2011

“This should be a destination place for people that like family friendly restaurants with easy prices & extraordinary preparations. We found the Grilled Shrimp & Crab Cakes enticing & the Roasted Crab Stuffed Salmon in a Lobster Sauce over Mashed Potatoes and Peas, really spectacular. This restaurant goes well beyond food. We are coming back with all of our cousins next week.”

JOHN EDDY, WOODCLIFF LAKE, NJ, USA TODAY RESEARCHER – MAY 20, 2011

“I had been here before but this year I had something new – the Lobster & Shrimp Quesadilla with plenty of lobster and enough for the next day. This area usually serves rotten food at high prices, but I find Spicy’s to be right on the money and there is an Italian twist here as Chef Jimmy Vena brings their food to a higher level.”

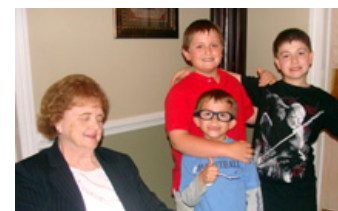

CAROLYN DELAFRANGE, RIVERVALE, NJ – JUNE 6, 2011

“I am Italian and I love to cook and it was wonderful to find a Mexican Restaurant with an Italian twist – they even have an Italian Chef! What a lovely place to bring my grandkids & also perfect for a first date as there is a fun feel and romantic aura here.”

ELEANOR WITKOWSKI (WITH HER GRANDCHILDREN), SCOTCH PLAINS, NJ – JUNE 3, 2011

“I have never eaten Mexican before Spicy’s, and now I am a believer. I brought my Polish Club down here and they loved the tableside Guacamole and everything else we tried. They loved the Lobster Bisque and the Chicken & Cheese Chimichangas & the Carne Asada – Mexican Sliced Steak. The waiter, Andy, was sooo cute and helpful, the girls loved him. The staff was great at helping us decide what we wanted.”

SYLVIA HARTE, THE IRISH REPORTER – JUNE 10, 2011

“Not only is the view gorgeous, the food very special and the waiters very accommodating, but I can eat healthy and Vegetarian. They will accommodate you if you have health issues. I recommend the Jalapeno Poppers and the Avocado Quesadillas, and the kids menu from \$5.99 is such a deal.”

CRISTINE FLOYD, SPRING LAKE, NJ – MAY 28, 2011

“What a great place for a date or to take the kids. The downstairs has live bands and many places to have a great snack, but the upstairs restaurant is nothing short of fabulous. The Beef Empanadas & Mexican Clams Casino are very good & the drinks are all made with fresh fruit and loaded with liquor. Everything here is really worth whatever you decide to spend.”

IVY AND MARVIN: We live in NYC and a trip to the Jersey Shore is a wonderfully break for us. We head to Spicy’s because there is everything we love right in one spot. We love to walk-the Boardwalk, ship a bit play games in the Coin Castle and then wind up our day on the terrace at Spicy’s and enjoy the many specialties in the restaurant. The drinks are generous and the tableside Guac a memorable, tasty pleasure.

MICHAEL AND DIANNE SCHWEITZER: My family takes many trips to Seaside because we adore Spicy’s and we continually have great experiences. The kids love the boardwalk and games and we love the food and Margaritas.
